Essential Information

PASSPORT

Your passport is your key to travel the world & to get back home. Take a few seconds to verify you have each; valid passport, money, camera & electronics.

INSURANCE

Almost a third of you don't have travel insurance in place before jetting off, risking £1,000s in medical bills. If you've booked a trip but not insurance, do it now.

AIRPORT & FLIGHTS

Get your trip off to a smooth start by pre-booking a <https://www.shuttledirect.com/> transfer to your hotel.

They are one of the leading transfer providers in Europe. Please note Dancehall Episode is not affiliated with shuttle direct. Alternative transfers: <https://compras.moventis.es/en-GB> to the travel/ shuttle area.

The closest airports are Barcelona airport 75km (47mi) away & Girona airport 30km (19mi). Barcelona airport offers scheduled flights to the world's major cities. Thanks to the low-cost airlines that operate in Girona airport, Lloret de Mar is connected to a large number of European cities.

AIRPORT TRANSFERS / TRAINS

There is no direct train service in Lloret de Mar, the nearest railway station is in Blanes.

The Pujol bus company runs a shuttle service from Lloret bus station to Blanes railway station every 30 minutes. Trains heading to Barcelona leave every 30 minutes & the journey takes 80 minutes. The last thing you want after touching down for your holiday is to join a huge queue for taxis or attempt to navigate public transportation.
